The Peacock Ballet.

This delightful and most artistic Peacock Ballet was played last Friday night to a bumper house, every seat in the Opera house being filled. The newboys chorus was excellently done. Mrs. F. B. Day composed the words of the song and it was splendid. Miss Cunningham trained the children. Mrs. Day gave Mrs. F. M. Swamy excellent assistance. The Mountain Dance, done by the Chinese girls of Kaulaui school was indeed excellent and thoroughly enjoyed by all. Mrs. Lewis trained the children and played the music for them to dance by. Mrs. Isabelle Creighton is principal of Kaulaui school and her little folks did her credit. An excellent trio was rendered by Miss Pearl Sutherland, Prof. J. Demetrius and Mr. Edwin Iseler. Their number was truly artistic.

Mr. Demetrius added in a great measure to the evening's enjoyment. His cello work in the Polonaise de Concert was splendid. Mrs. Charles Hall, who is always a favorite, sang in her excellent way "Chanson de la Mer." Miss Edith Gifford was her capable accompanist.

The Peacock Ballet brought a notable program to an artistic finish, the ballet calling forth unstinted applause, and more than generous were the comments. Mr. L. Y. Corrothers, for his genius in conceiving such a clever thing, his designing and painting the costumes and his final work in training the whole ballet, was highly lauded.

Mr. William Lewis managed the stage with a master hand. Mrs. Francis Swamy has been untiring in her efforts for the success of the performance and she may feel fully repaid.

The whole affair has indeed been most satisfactory and the Free Kindergarten and Children's Aid Association has been very materially helped.

Three Dances Planned.

The following card has been received by society in general from the Territorial Hotel Company:

"The hotel management wishes to call your attention to the engagement of The Dancing Troupe, well-known in the United States and Australia as exponents of various styles of dancing."

"It is the intention to give a series of three dances every afternoon from 3 to 6, beginning next Monday. On these occasions the entertainers will give exhibitions of society and ballroom dancing, and will also be pleased to dance with any of the guests who desire to try the dances with them."

"No definite arrangement as to the place where these affairs are to be given has yet been made, but it is intended to have some of them on the roof-garden of the Young Hotel and others at the Moana Hotel. You are kindly requested to take note of the announcements which will appear in the press from day to day."

"The entertainers will also appear during the concert on the roof garden during the evening, and will give an exhibition of stage dancing."

"The management trusts that all of this will be of interest to you and that it may have the pleasure of your attendance at these occasions."

Society's Varied Activities.
No sooner are the society girls furnished with their attention than another wave of their attention. Just now the footlights of the social drama are very busy getting things ready for "The Taming of the Shrew."

It is to be managed by Miss Beatrice Castle, who is chairman of the play committee; Mrs. Harry Macfarlane, who has the costumes in hand, no small task indeed; Mrs. Francis R. Day has the care and thought that must be given to the scenery; Mrs. Wade Warren Flayer has the "props" to look after; Mrs. Arthur Macintosh has a splendid poster to display, the work of this clever woman; and last but not most important, comes the publicity committee, which is in the hands of a tactful and bright woman, Mrs. Arthur Smith, who is just brimful of business and energy.

"The Taming of the Shrew" will get all the publicity it will require with Mrs. Arthur Smith heading the committee.

Mr. L. Young Corrothers, who has really made himself locally famous with the Peacock Ballet, has charge of the dancing for "The Footlights" in the play which will be put on during Easter week.

Rain Interfered with N. G. M. Hop on Kaulaui.

LIHUE.—The rains descended and the floods came and went upon that military dance at Makaweli Saturday evening, and was the effect thereof.

Most of the society folk from Kaulaui to Lihue, and, perhaps, beyond, had planned to attend the dance and see all the brass bands, Regiments and battalions and company officers, far and near, fully intended to be there, and it was to have been a brilliant affair. But the weather man was on his bad behavior, and it rained most of the late afternoon and until 10 o'clock at night.

About 30 or so reached the scene of festivities, however, and proceeded to have a good time, whether or no. The affair, although ending small, was very much enjoyed by those fortunate enough to reach the ball. Garden Island.

Coming Wedding on Kaulaui.

Mr. and Mrs. Wm. Kuhlmann, Lihue, have announced the engagement of their daughter, Eleanor M. L., to C. G. Kuhlmann of the Lihue branch bank of Hawaii.

The wedding will take place the last of May.—Garden Island.

The marriage of Miss Gertrude Thomas and Mr. Roger Bocqueraz took place on Wednesday afternoon at the Fairmont Hotel. Father Charles Ramo read the service in the presence of a large number of guests. Mrs. Bernard Ford was the matron of honor and the bridesmaids were Miss Marion Crocker and Miss Barbara Kimble, a niece of the bride. Mr. Leon Bocqueraz was his brother's best man. On the return from their wedding journey Mr. and Mrs. Bocqueraz will reside in San Francisco.—San Francisco Argonaut.

Mrs. H. Arita, wife of the acting Japanese consul, was chosen president of the Outdoor Circle at a meeting last Monday night held in the Mochizuki Club, Waikiki. Other officers will be elected at a meeting to be held in a few days.

As Mr. and Mrs. Arita have been the moving factors in getting the Japanese organization started, Mrs. Arita's election as president is a pretty compliment to her work, though she is leaving Hawaii soon for Japan.

Mr. and Mrs. George Rodick, Captain and Mrs. Grashof, Mr. and Mrs. J. C. Hagen and Mr. John Hunsbary have taken their cars and gone for a two weeks' tour of Hawaii. A part of this time will be spent at the Volcano House.

On arrival in California Mr. and Mrs. Maud will visit in San Francisco for a brief time before going to their Monterey home. They are planning a trip through Southern California later in the spring.—San Francisco Examiner.

Miss Claire Ritchie will preside over a colonial tea party on Monday afternoon, February 21, at her home in Park street, making the affair complimentary to Miss Evelyn Maillet, an Alameda belle, who will be much feted before her marriage in the early summer. Both Miss Maillet and her fiancé, Harold Van Cleaf Gear, Honolulu, belong to well known families, and their wedding will be of interest to many friends in California and in the Islands, which will be their future home.—San Francisco Examiner.

FT. SHAFTER SOCIETY

(Special Star-Bulletin Correspondence)
FORT SHAFTER, March 3.—One of the most enjoyable social affairs on the post for many a day was the delightful "at home" of Col. and Mrs. Walter H. Chatfield and Mrs. Tupper on Saturday evening. This was their last "at home" at the fort as the colonel retires for age on Saturday. Practically the entire garrison turned out for the enjoyable occasion and every one had a most delightful time. The 2nd Infantry orchestra furnished the dance music, and it was not until midnight that the guests departed. Since the colonel's arrival his home has been an "open house," full of life, where a hearty welcome always awaited one.

The Chatfields have so endeared themselves to every one that it is with sincere regrets that the garrison will see them retire as they will be greatly missed by all, and it will be most difficult for anyone to take their place.

The colonel and his family will not return at once to the mainland, but will reside for a short time in Honolulu and later go to Southern California for an extended stay.

One of the most enjoyable parties given for the little folks of the garrison was the party at which Mrs. McCain entertained on Saturday afternoon at her home in the main garrison in honor of the twelfth birthday of her son, Morris McCain, for 12 of his little friends. All sorts of games were played and prizes awarded for the cleverest and a most enjoyable afternoon was spent by all. Later in the afternoon when it was time for the real "tea party" the children were seated around a most attractively decorated table, pink and white favors marking the place of each child. Pink and white was the color scheme throughout and in the center of the table was a large basket of pink African daisies with a graceful arrangement of pink tulle falling from the chandelier. A large birthday cake with pink candles and pink and white ice cream further carried out this dainty color scheme. Morris McCain's guests included Billy Scott, John Randolph, Jr., Louise Cochran, Marion Cochran, Mildred Malone, Ossman Jamerson, Kerwin Malone, "Boo" Rosenbaum, Tom Harker, Bob Bennett and Jack Bennett.

Mrs. F. F. Black gave another of her enjoyable bridge teas last Saturday afternoon in her quarters. In the cantonment which were attractively decorated with baskets of pink sweet peas and maidenhair ferns. There were three tables of bridge played and Thomas J. Camp, having the highest score, won the first prize, a most attractive card table cover. Mrs. George H. Jamerson won the second prize, a pretty Canton jar, while Mrs. Tupper held the lowest score and was presented with a dainty pair of slipper trees. Mrs. Black used pink and white for her color scheme and a large basket of pink sweet peas formed an attractive centerpiece on the beautifully appointed table. Mrs. Edwin Harishorn poured tea and Mrs. Russell served the ices.

There will be an informal hop on Friday evening, March 10, in the post headquarters building. A new hop committee for the month of March has just been appointed, and includes Captain William B. Cochran, Captain Thomas J. Harker, Lieut. John B. Richardson, Lieut. F. A. Sloan and Lieut. J. K. B. Lyman. There will be a formal hop later in the month.

Dorothy Hobbie, small daughter of Lieut. and Mrs. Hobbie, who has been seriously ill in the Department Hospital, has sufficiently recovered so that she could be brought home. Every one was delighted to hear of her rapid convalescing, as she is a very popular little girl with a pleasant smile for everyone.
